

Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Friday 6th September 2019

Dear Parents and Carers,

Welcome back! I hope you have all had a great Summer. This week has been 'Routine's week' so we have had a busy few days remembering our school rules and creating class charters, we've talked about how to stay in and around school and discussed our hopes for the future. When you visit the office, you can view our 'Welbourn wishes' on our vision tree. You can also view our behaviour policy and various information on our school website. You should have received a newsletter about the topics that your child will learn this term.

During the holiday, teachers have been busy making the learning environments inviting for our children and developing reading areas. We have a World War 2 bomb shelter, a Starbucks, an Under the Sea theme with a submarine and a reading forest. We are encouraging all children to read every day and visit our school library. Please encourage your child to read at home this weekend and as many times per week as they can then sign their reading record. We have some great incentives for them to achieve in school. There will be an additional letter about a sponsored read for your child to take part in.

We have various events and competitions coming up in school, please check the board outside and our school website for more details.

The Friends of School and family members have been extremely busy during the holiday creating a new garden area, with a potting shed for our children to grow some fruits and vegetables. We would like to say a huge thank you for all of the hard work that has gone in to this and we are very excited to start using it as part of our science and topic learning.

Finally, if you have any medical, permission or contact details, which have changed, please can you let the office know so we can update our records. This includes the new Reception parents, who will have a new form to complete.

Have a great weekend, we look forward to seeing you all on Monday.

Kind regards

Mrs T Boulter

Let's take a look at our first week back...

Topa class have enjoyed learning their new topic 'Marvellous me', making hand and foot prints and counting their fingers and toes.

Emerald Class have enjoyed learning about their new routines in school and choosing a class book!

Amethyst Class enjoyed learning about the different formations that the Romans used with the shields that they made.

Moonstone Class enjoyed some challenges linked to World War 2, they made shelters and planes.
