Dear Parents and Carers,

We've had another exciting but busy week. On Tuesday afternoon, all children had the opportunity to meet their new teacher and spent the afternoon with their class. The new Reception children also visited us and Year 7 completed transition activities linked to their new schools. Mrs Swiffen met some parents on the playground after school and will be in school next Wednesday to do the same so please go and introduce yourself.

This week the whole school has taken part in a Mass Participation activity with Inspire+. The children have been practising their skills in preparation for Sports Day on Thursday 11th July 9.15 to 11.15am. They have also set personal health and wellbeing challenges in school – ask them what their goal is.

During the Summer holidays, we will continue to develop our school environment and will be creating a science and growing area at the bottom of our field. This will be used for all key stages as a stimulus for design technology and science learning and we hope to develop this further as part of our breakfast club provision. If you are able to help us during the week beginning 5th August, please come and join us between 10.00am and 3.00pm. We would greatly appreciate your support.

Term 6 is always a busy term with lots of exciting activities planned. Please check our dates on the school website to keep up to date with what is going on in school. We are excited to see Moonstone's performance and have the leaver's service on the last day of term at 10.30am in St Chad's church – it would be great to see you all there.

Finally, we value your feedback and we're continuously seeking to improve. Please complete our Summer term questionnaire so that we can gain your views and improve further next year. There is also an opportunity to discuss this at our next parent forum on Thursday 18th July.

Kind regards

Mrs T Boulter

Please also find attached to the email some information regarding Safeguarding in schools that we follow.
