

## Welbourn Church of England Primary School

Friday 8<sup>th</sup> February 2019

Dear Parents and Carers,

We have had such an exciting week! Wellbeing is extremely important and we have celebrated Mental Health week during worship to raise awareness. During Safer Internet day, children learnt how to show respect, whilst asking for permission and consent online.

We have regular visits from advisors and head teachers from the local authority to offer support and challenge us to ensure we are making progress against the Ofsted priorities. Each visitor commented how polite and well behaved our children were and how the presentation in books had improved. Well done to our wonderful children for making us feel so proud. It has also been recognised that our staff are working extremely hard and have made improvements towards our priorities.

As part of our school priorities, we aim to develop communication and parental engagement. We are thankful for all of the feedback and support that you have given the school so far. We continue to have parent forums each half term with a specific focus. These are all on the website and appear on the newsletters. Unfortunately, we had planned a workshop on how to support your child in maths and only one parent and child turned up. We would be grateful if you could provide some feedback on the best times to deliver such workshops and also what type of workshops you require. I would also like to remind you that your children can attend these too.

We hope that you have received a letter regarding Art Week, we are very excited to provide opportunities for all children to experience a range of arts and perform on Friday afternoon, please collect a ticket from the office if you would like to attend.

Safety is a common focus in school, please remind your children not to climb on the trees or walls before and after school. These sometimes become loose and we want to ensure that your children are safe at all times.

Have a great weekend!

Mrs T Boulter
