'Trying our best to be our best.'

Whole School Behaviour System

A visual representation of the steps will be in each class with the names of each child to physically move through the steps.

Friendly Warning! This is the chance for the child to stop what they are doing and make the right choice before step 1.

The Golden Step-Children who follow the golden rules remain on the golden step. They can move up to the star

Warning! This is the final warning before being moved to red.

If red behaviour is shown 3 times in one week, the child will be supported with a daily 'check in' and placed on report. Parents will be invited to a meeting.

1

Everyone starts the day on the green step and would hope to show the golden rules.

2

Step 2: 5 minutes time out to reflect in the 'reflection area'. The child is then expected to complete the work that they have missed and turn their behaviour around.

3

Step 3-Headteacher/Senior Leader notified and the child will miss their next playtime. If the behaviour continues, the child is removed from the lesson and parents are notified.
