

Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Thursday 13th February 2025

Dear Parents

It has been a privilege to be part of Welbourn's wonderful family since September. The children, staff and parents welcomed me and together we enjoyed lots of great experiences. I will remember the church services, Christmas productions, wonderful singing as well as the children's love of learning and kindness towards one another. It is a strong community and together I know you will enjoy having Mrs Ingamells in school full time to carry on the schools journey.

Thank you to everyone for your friendly welcome and support that you have offered me and the school in support of your children over the past few months. I wish you all the best for the future.

All the best from

Jayne Watson
Executive Headteacher

Hello, my name is Mrs Ingamells and I thought I would just introduce myself before I take up my new position as Headteacher of Welbourn C of E Primary School after half term. I have had lots of experience in teaching as I have been working as a teacher for 23 years both in Yorkshire where I grew up and then in Lincolnshire where I relocated to. I have worked for a variety of different primary schools, these schools have significantly contributed to me becoming the teacher I am today. I have taught across all Key Stages and have had many leadership roles. I thoroughly enjoy teaching, and knew from an early age this was the career path I wanted to pursue.

I have a 13 year old daughter who is also wanting to follow in my footsteps and has dreams of also becoming a teacher one day. I also have various interests such as walking, gardening, and I attempt to attend a gym class twice a week. I love animals and currently have two indoor rabbits (Pebbles and Smudge) and will take my role of caring for Mila very seriously.

I am eager to meet all of you and be a part of your child/ren's educational pathway. I strive to continue to create an environment where your child/ren feel safe and achieves both academic and personal success.

I hope you all have a fantastic half term and look forward to seeing you all on the 24th February.

Kind regards

Anna Ingamells
