

Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Friday 19th July 2024

Dear Parents and Carers,

Wow, what a year! We have ended the final term on such a high. Despite the weather, the end of year BBQ was a success. Thank you to everyone for joining us for a superb evening and we are very pleased to say we raised over £1000. Thank you to our Friends of School, Staff, Governors, the band and parents for helping prepare for and deliver a great evening. I enjoyed the stocks and think that this tradition should carry on as an annual part of the BBQ!!! I will leave that for staff to decide.... (they can thank me later).

The Key Stage 2 play was, once again, a delightful evening filled with excellent singing, dancing, acting, humorous jokes and more! The children were a credit to their parents and to all of us, we were all incredibly proud of them. They looked great with their costumes and props and the stage was set in the village hall due to the weather so there was no stopping us!

Topaz and Emerald Class showcased their skills in our annual Welbourn has Talent, which was an afternoon filled with magic, singing, dancing and even a rubix cube challenge – perhaps we will see Freddie Francis breaking a world record in the future!

On Thursday not only did Year 6 have a water fight and soak me, they worked with Year 5 to prepare a three course meal with Darren from Roots2Food. We had soup accompanied by bread which was perfectly made by our Year 5 children, a vegetarian or chicken main meal and Eton Mess for dessert. The Gala dinner was served by Amethyst, they were first class at serving the food and drinks. Staff, Governors and parents had a very enjoyable evening.

On Friday, we had our Leaver's service at St Chad's Church and we bid farewell to our wonderful children in Year 6, Starr and Max. It was a very moving service. The children shared lasting memories, poems, reflections and prayers. We wish them every success in their new schools and hope they settle well into secondary school and their new primary school. We know they are ready for a new challenge.

Sadly, we had to say farewell to coach Harry who will be leaving us. He has delivered quality P.E sessions to our school but is moving on to pursue a teaching career. We wish him every success in the future and we will let you know who our new coach is, when we are notified by Carre's Sports.

And this is my final farewell. I have had an amazing six years at Welbourn school. It has been a privilege to work with such amazing, dedicated staff who I know will continue to work hard for our children to ensure that the standards that we have created will continue. They always go above and beyond, ensuring that every child is prioritised, nurtured and cared for. Governors are dedicated in ensuring that the school runs from strength to strength and have secured a dedicated Executive Headteacher for September. Mrs Watson will continue to build on our successes of our school and enrich the opportunities for your children through her experience and links with other Lincolnshire schools.

I will miss seeing you all on the gate each morning and being part of a wonderful school family! Take care and enjoy the Summer break with your amazing children.

Kind regards
Mrs T Boulter
